MEMORANDUM FOR: Deputy Director for Support
25X1A9a
ATTENTION: [REDACTED]
SUBJECT: Antenna Requirement

Bearing in mind your previous advice concerning requests to erect antennas on the roof of this building, I have personally investigated the necessity involved in the attached request. We have also discussed the matter with the Offices of Security and Communications, as you will note. Accordingly, we would appreciate your giving favorable consideration to the erection of the antenna, the specifications of which are described in the last sentence of paragraph 3.
